Kourtaliotis Gorge & Preveli – Day Tour in South Crete (12-seat Van)

Join one of the most authentic and scenic excursions in South Crete.

A full-day tour in a comfortable 12-seat van, combining nature, local culture, breathtaking landscapes, and authentic Cretan flavors..

Enjoy a beautiful drive through the picturesque Cretan countryside — olive groves, mountain views, and authentic villages.

Explore one of Crete's most impressive natural landmarks.

Walk to breathtaking spring waterfalls, take photos, and experience the unique energy of the canyon.

Enjoy a light tasting of local products and authentic Cretan flavors.

inside Crete

Do you ever wonder what Crete looks like beyond the coastline?

This day trip invites you to explore the impressive Sfedoni Cave, step into the daily life of a traditional “Shepherd’s house” through hands-on activities and authentic local food, and visit the family-run Paraschakis Olive Mill to discover how olive oil has been produced for generations.

It’s a journey through nature, tradition, and taste - very real, and deeply Cretan.
